RE: Closeout Report for IHSS Group 500-3 (B559) - NFAA Approval

Dear Mr. Rampe:

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division has reviewed the Draft Closeout Report for IHSS Group 500-3, dated June 2005. Comments were provided, and resolutions reached regarding modifications to be made. The IHSS Group 500-3 includes: UBC 599, UBC 528, IHSS 500-159, and portions of IHSS 000-121 including Tanks 7, 33, 34, & 35. This Closeout Report also includes documentation of removal, and final configuration, of the slab and all inground infrastructure associated with B559 and B528. Based on the information contained in this Closeout Report, including revisions to be made as agreed, the Division is hereby approving the IHSS Group 500-3 Closeout Report for No Further Accelerated Action (NFAA).

Although we are approving this Closeout Report based on previous discussions and agreed upon modifications, we look forward to verifying the final IHSS 500-3 Closeout Report document.

If you have any questions regarding this correspondence please contact me at (303) 692-3367, David Kruchek at (303) 692-3328, or Harlen Ainscough at (303) 692-3337.

Sincerely,
